

EAGLEHOOK

Created by a
mechanic, for
mechanics

**EAGLEHOOK
FALL
RESTRAINT:**

YOUR SAFETY
Is Our First Priority

**Why you need the
Eaglehook – NOW.**

- A transport trailer innovation to save lives by restraining falls
- Offers range of motion, ease-of-use, and complete stability for trailer roof surface repair and maintenance
- Safer for workers; lowers employer insurance premiums
- Mobile repair system minimizes costly downtime and outsourcing
- Affordable, light weight, meticulously engineered and tested
- Repair, maintenance and snow removal applications
- **Fall RESTRAINT... not "fall arrest"**

A unique innovation in transport trailer repair – an expertly engineered mobile system specifically developed to prevent falls, by restricting workers engaged in repair or maintenance from traveling to a roof surface edge.
